

Application Form – Scholarship

Application process

Endulen e.V. offers scholarships to assist dedicated nurses, medical officers, medical doctors, midwives, physiotherapists etc. to reach their goals. To apply for a scholarship you have to send the following documents until the 31st of May to scholarship@endulen.de.

- Application Form
- CV (in table form)
- Last grade report
- Employment contract (if applicable)
- Two Letters of Recommendation
- Cost breakdown per academic year from your university/school

The required documents have to be typed and written in English. Please note that incorrect information will directly lead to suspension from the application process.

For further information please visit our homepage (www.endulen.de) and feel free to contact us via scholarship@endulen.de.

We are looking forward to receiving your application!

Personal data of the applicant

Full name

Email Phone number

Postal address

University Length of study

Costs per year Total costs

For which job do your studies qualify you?

Motivation

Why have you chosen the above-named subject? (max. 300 words)

Why are you applying for our scholarship? Why should we support you? (max. 300 words)

How do you want to contribute to improve the medical situation in your community or in Tanzania? Which kind of social projects have you realized yet and are you planning to realize in the future? How would you like to share your knowledge gained during your studies with others? Can you imagine working at a hospital in rural areas? (max. 500 words)

Background information

How many experts are currently working in your area/community/Hospital/country? (e.g., if you apply for an anaesthesiology course: how many anaesthesiologists are already working at your hospital and where is the next place where an anaesthesiologist works?) (max. 300 words)

Please give us some information about your life (e.g. about your family, your town/village, and your current work). (max. 300 words)

Endulen e.V. sponsorship only covers study fees. How will you pay your daily living costs during your studies (food, rent etc.)? How will you fund your studies if you do not receive a scholarship by Endulen e.V.? Are there any other financial resources and partners including family members supporting you or being able to do so? If yes, please name them here. (max. 300 words)

I confirm that I have written the answers myself and all given information is true.
